SPECIFIX™ COLLECTION

UVEX™

by Honeywell

Uvex SolarPro™

High-Performance Protection

- With its sleek design and lens tint options, Uvex SolarPro is ideal for construction, utility line work, landscaping, oil and gas industries and other outdoor applications.
- Available in a variety of lens tints including mirrored, polarized and photochromic to help reduce solar glare and eye fatigue.
- Available with Supra-Dura™ advanced anti-scratch coating for lenses that resist scratching 5x longer* than other coatings on the market; Uvextreme® anti-fog coating; and Dura-streme® dual anti-fog/anti-scratch coating options.
- 100% dielectric
- Meets ANSI Z87.1-2003 (High Impact) standard.

Superior Comfort & Fit

- Sport-inspired wrap-around design provides superior peripheral vision and side protection.
- Soft, padded temples and nosepiece delivers a comfortable, non-slip fit.
- Ratcheting temples make it easy to adjust the lens angle for a close fit.

Exceptional Total-Cost-of-Ownership Value

- High-performance coatings provide longer lens life.
- Lifetime frame guarantee.

Soft temple tip pads ensure a fit that is both comfortable and secure.

Soft, padded nosepiece hugs the nose and provides a contoured, non-slip fit.

Ratcheting temples enable wearers to adjust lens inclination angle to fit perfectly above cheekbones.

Design provides close-to-the-face protection and superior peripheral vision and coverage.

*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

Uvex SolarPro™

Clear — Ideal for most indoor work applications

Gray — Minimizes strong outdoor sunlight and glare

SCT-Reflect 50 — Light mirror coating is ideal for varying light conditions

Silver Mirror — Deflects sunlight and glare

Blue Mirror — Deflects sunlight and glare

Gray Polarized — Minimizes eye fatigue due to outdoor sunlight and glare

Gray Photochromic — Adjusts to lighting conditions to minimize sunlight and glare

SCT-Gray — Minimizes outdoor glare and offers true color recognition

All Uvex® lenses offer 99.9% ultra-violet protection.

Packaging information (Eyewear):
 Ind. Box, 10/Stock, 200/Master Case
 Master Case Weight: 29 pounds
 Master Case Dimensions: 29" x 15" x 24"

Uvextreme® anti-fog coating performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Supra-Dura™ high-performance anti-scratch coating is permanently bonded to the lens and is ultra scratch-resistant to provide up to 5x* more lens life compared to other lens coatings on the market. Dura-streme® lenses combine Ultra-dura® anti-scratch coating on the exterior and Uvextreme coating on the interior to provide up to 3x more lens life than standard anti-fog coated lenses.

*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

 Made in USA with US and imported components. Silver Mirror, Blue Mirror, Photochromic and Polarized styles made in Taiwan.
