

# Uvex Bayonet™

## High-Performance Protection

- Provides substantial coverage and unobstructed vision for excellent impact protection and performance
- Available in Clear, Amber, Gray, Silver Mirror, SCT- Reflect 50, SCT-Gray and SCT-Low IR lens tints to address the needs of almost any workplace environment
- Offered in two high performance lens coating options: Supra-Dura® advanced anti-scratch coating for lenses that resist scratching 5x longer\* than other coatings on the market and Uvextreme® AF coating for long-lasting anti-fog performance.
- Meets ANSI-Z87.1-2010 standard
- Certified to the requirements of CSA Z94.3 standard

## Superior Comfort & Fit

- Proprietary Floating Lens design offers increased flexibility to fit more wearers
- Flexible wrap-around brow expands and contracts to comfortably fit a wide variety of wearers
- Weighs less than one ounce for comfortable, all-day wear
- Soft inserts along the temple provide a comfortable, head-hugging fit
- Nosepiece with soft, flexible molded "fingers" minimizes slippage and cushions the nose for greater comfort

Soft temple inserts cushion the delicate areas above and behind the ears, providing a secure, comfortable fit

Nosepiece with soft, flexible "fingers" conforms to a variety of nasal profiles and minimizes slippage for all-day comfort

Floating Lens™ design allows browbar to flex for an accurate, comfortable fit without compromising optics

Custom designed temples offer sleek styling

SAFETY EYEWEAR

\*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

Uvex Bayonet strikes the perfect balance between high performance protection, comfort and sleek styling. Proprietary Uvex® lens tints, coating technologies and impact protection make Uvex Bayonet an excellent fit in almost any safety eyewear program. Add to that its tapered temples, sport-inspired lens shape and enhanced comfort features, and the Uvex Bayonet addresses workers' need to look good and feel good on the job. It's a winning combination of protection and worker acceptance that helps support a culture of safety in the workplace.

**Packaging Information**  
 Ind. Box, 10 pr./Stocker, 200 pr./Master Case  
 Master Case Weight: 27.9 pounds  
 Master Case Dimensions: 29" x 15" x 24"

Uvextreme® anti-fog coating performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Supra-Dura® high-performance anti-scratch coating is permanently bonded to the lens and is ultra scratch-resistant to provide up to 5x\* more lens life compared to other lens coatings on the market.

\*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

Made in USA with US and imported components.
