

Uvex Pheos™

High-Performance Protection

- Duo-spherical lens offers exceptional optical quality and features an integral brow guard for enhanced coverage, protection and performance
- Clear, Gray and Amber lens tints address the needs of most workplace environments
- Features high-performance Dura-streme® dual anti-fog/anti-scratch coating technology for lenses that stay clear in extreme environments and withstand scratches for 3x longer lens life*
- Unique temple design provides increased airflow to further resist lens fogging
- Integral slot in temple tip simplifies attachment of hang cords or corded earplugs
- Contains no metal parts for 100% dielectric performance
- Meets ANSI Z87.1-2010 standard

Superior Comfort & Fit

- Available in Standard and Slim sizing to comfortably fit most workers
- Frameless design is lightweight and easy to clean and maintain
- Innovative dual-material technology used on temples provides stability and cushioned comfort for all-day wear
- Temples feature an extremely thin profile and fit comfortably when worn with other PPE
- High-performance hinges open and close with a smooth, effortless motion
- Smooth, molded-in nose piece provides a comfortable and secure no-slip fit for almost any wearer

Duo-spherical lens offers exceptional optical quality and features an integral brow guard for even greater coverage and protection

Streamlined temples fit comfortably when worn with other PPE and use innovative dual-material technology that provide stability and cushioned comfort for all-day wear

High-performance hinges contain no metal parts and open and close with a smooth, effortless motion

Unique temple design provides increased airflow for reduced fogging

SAFETY EYEWEAR

* Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

This is eye protection workers will want to wear. Uvex Pheos safety eyewear combines innovative technologies with modern design to deliver the ideal balance of comfort and attractive styling workers want and the high-performance protection they need - and deserve. For the clearest vision on the job, Uvex Pheos eyewear features technologically-advanced, duo-spherical lenses for unparalleled optical quality and superior all-around coverage. Available in Regular and Slim sizes, Uvex Pheos fits the workforce and performs to perfection.

Uvex Pheos™

Ind. Box, 10 pr./Stocker, 200 pr./Master Case
Master Case Weight: 13.2 pounds (Reg.) / 12.3 pounds (Slim)
Master Case Dimensions: 29" x 15" x 24"

Uvextreme® anti-fog coating performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Ultra-dura® hard coat is permanently bonded to the lens and is scratch-resistant and chemical-resistant. Uvex Dura-streme® lenses combine our two top coatings on one lens: Ultra-dura on the exterior and Uvextreme on the interior to provide up to 3x* more lens life.

*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.
