

Uvex Stealth® Reader

GOGGLE WITH READING MAGNIFIERS

The Uvex Stealth, one of the most popular goggles on the market, has expanded to include reading magnifier lenses. The first of its kind, the Uvex Stealth Reader Goggle offers modern design, technology and materials with an extensive range of five magnification strengths. Ideal for workers who need not only the added protection of a goggle, but also increased magnification for close-up inspection or fine detail work.

All Uvex® lenses offer 99.9% ultra-violet protection.

Features

- Available in Clear with Uvextreme® anti-fog coating and five diopter strengths from +1.0 to +3.0 magnification
- High quality, soft elastomer body conforms to facial contours for a secure, customized, gap-free fit
- Low profile, wrap-around style provides complete coverage and unobstructed vision
- Wide, adjustable slide headband with pivoting clips provides an easy-to-adjust fit for complete comfort, even with hard hats
- Economical lens replacement system extends the life of the goggle
- Meets ANSI Z87.1-2010 (High Impact)
- Certified to the requirements of the CSA Z94.3 standard
- Made in USA
