

The Uvex Strategy goggle is the industry's only economical over-the-glass (OTG) goggle that delivers both premium comfort and maximum protection. With a powerful combination of innovative, face-hugging material and a rugged design that withstands the harshest environments, the Uvex Strategy goggle provides protection, peace of mind and total comfort. These are the goggles workers will want to wear.

SAFETY GOGGLES

Uvex Strategy®

UVEEX™
by SPERIAN

Uvex Strategy®

Performance

- Provides protection against impact, chemical splash, dust, sand, and debris — even in extreme environments.
- Available in 4 models for a variety of work applications: direct vent, closed vent, indirect vent and indirect vent with foam lining for fine particle protection.
- Headband available in fabric or neoprene for chemical applications.
- Uvextra™ AF anti-fog coating minimizes fogging.
- Meets ANSI Z87.1-2003 (High Impact) standard.
- Certified to the requirements of CSA Z94.3.

Superior Comfort, Fit & Value

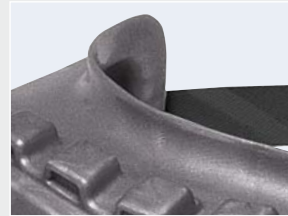

- Lightweight, TPE body provides exceptional comfort and a snug fit for maximum protection.
- Fits comfortably over most prescription eyewear.
- Economically priced, providing all the comfort, quality and protection you expect from Uvex at a price you'll love.

Ventilation options to meet most applications: direct vent, closed vent, indirect vent and indirect vent with foam lining for dust and sand protection.

Optically perfected polycarbonate lens delivers excellent peripheral vision and complete protection, while fitting comfortably over most prescription eyewear.

Soft, flexible body conforms to the face, providing an exceptional snug fit for all-day comfort and maximum protection — even in the harshest conditions.

Headband available in fabric or neoprene for chemical applications.

Uvex Strategy®

Clear — Ideal for most indoor work applications

All Uvex® lenses offer 99.9% ultra-violet protection.
