

Uvex Entity™
SAFETY GOGGLE

UVEEX™
by Honeywell

The Uvex Entity goggle protects against impact, dust and chemical splash hazards while providing a secure, gap-free fit. The toric shaped lens provides a wide field of unobstructed peripheral vision, with Uvextra anti-fog lens coating and indirect ventilation system to minimize fogging, keeping lenses clear. Featuring a lightweight and flexible PVC body that easily flexes and conforms to the face, Uvex Entity is designed for lasting comfort and protection.

COMFORT

SOLUTION

The Uvex Entity™ goggle protects against **IMPACT** and **CHEMICAL** splash while providing a secure, gap-free fit.

Toric shaped lens provides wide field of peripheral vision

Latex-free neoprene headband

Pivoting clips allow for easy adjustment to the positioning of the headband
